

DJ MIG

New Orleans, Louisiana's most exciting cuts, beats, switches & sounds are coming straight from the decks of DJ Mig and his ability to bring the party to the people with his creative-twist on the art of being a true Video-DJ. Blending some of the most dynamic sounds ever to be put on wax - DJ Mig provides pure audio/video entertainment as he mixes songs & genres together with precision, enthusiasm and an in-depth knowledge of music and how it relates to a vibrant visual representation.

Though DJ Mig has earned a solid reputation for his open-format style, you can count on him to bring out the best & brightest in the sounds of hip-hop, house, EDM, Old-School and all the most exotic-electro flavors you'll find in the sub-genres like dubstep, trap, and twerk music. Not limited by any borders in sound; DJ Mig can take an entire set all over the music-map to include wild sounds from alternative, Club and top-40's and create an entirely new, unique and captivating way to both hear & view these incredible songs.

After playing extensively throughout the club-scene in New Orleans in hotspots like Metro, Republic, Bourbon Heat, E'Tage and Jax's - DJ Mig has taken his career to the next level entirely. DJ Mig has gone on to play with well-known names in the entertainment business like MTV's DJ Skribble, DJ Pauly D, the legendary Mannie Fresh, Juvenile, Flo Rida, Nick Jones, Mary J Blige, J dash, Ying Yang Twins, Rob Base, Coolio, 69 Boyz, Cortez Young Money Records, and many more. As his reputation and fan-base continued to grow, he was a feature artist at the massive event held for sports-legend Pierre Thomas, Roman Harper, John Jenkins, Duke Riley the New Orleans Saints, New Orleans Pelicans & LSU.

Currently residing at incredible atmospheres like Apres Lounge in New Orleans and splitting his time by playing electrifying sets at Masquerade & L'Auberge in L.A. and the Hard Rock Casino Biloxi in Mississippi as he continues on a strong path to become a global force outside of his local hometown. With more people catching onto his electro-vibe, his amped-up sets and incredibly contagious enthusiasm and love for music - the party starts right here with DJ Mig as he takes over 2018 spinning sets that leave audiences stunned both visually and audibly, and most importantly, having the time of their lives.
